Good afternoon:

In anticipation of a motion from Gary Thibodeau to set aside his conviction, I am trying to gather all of the information regarding last year's investigation for a motion response.

It is my understanding that members of the sheriff's department looked for the log cabin that was referenced by Priest but did not find it. Would you please send me a copy of all records and reports relating to the ground / aerial search of the area described by Tonya Priest? I would like to show the court documents relating to the department's efforts.

Likewise, can you please provide a list of all investigators and deputies who were involved with the search? We may need to call them as witnesses if there is a hearing on the motion. Thank you.
